

Forbes Again Ranks Boyden in Top Ten of Executive Search

NEW YORK, June 12, 2018 – Boyden, a premier global talent and leadership advisory firm, has announced that for the second consecutive year, the firm has been ranked in the top 10 on *Forbes' America's Best Executive Recruiting Firms* for 2018, the second year that Forbes has published the list. A total of 250 firms are ranked.

Boyden and other executive search firms on the *Forbes* list were selected on the basis of results from an extensive independent peer review survey, conducted and tabulated by *Forbes* and analytics firm Statista. To determine rankings, Statistica surveyed 30,000 recruiters and 4,500 job candidates and human resources managers who had worked with recruitment firms over the last three years.

"We are honored to have been named as one of the top 10 executive search firms for the second year in a row," said Trina Gordon, President & CEO of Boyden. "Boyden's high ranking is a testament to our client-centric strategy. We congratulate our partners and professionals for their dedication in delivering world-class, customized leadership and talent solutions in the Americas and across EMEA and Asia Pacific."
